Applying for external funding

The process of making applications to trusts, public bodies and international donors has begun in earnest. This is hugely time-consuming since each trust has its own application process, criteria and timescale for awarding grants. We have now selected 12 for the initial appeal and made applications totalling over £150,000. We'll continue the process over the coming weeks since some funders require 50% of the total (ie £600,000) either in place or committed, before they will entertain an application.

Local fundraising continues

Local fundraising still remains at the heart of the project -whether through donations, pledges or sponsored events.

The ingenuity and enterprise of members of the Wesley Mem congregation continues unabated and scheduled events include:

- Neighbourhood Coffee Morning in North Hinksey on 26 February (Could you hold one in **your** neighbourhood?)
- 'How to solve cryptic Crosswords' with Don Manley on 26 March
- May Morning Breakfasts for the general public on 01 May
- Oxford Art Weeks venue for paintings, crafts. 21-30 May
- Cream Teas in the garden on Saturdays in June, July & August

There are further plans for a Sponsored Walk and Colin Saunders is collecting foreign bank notes and coins. If you would like to join in, as an individual or a House Group, please speak to John Lines.
